Experience the uniqueness and elegance of Epoxy Flake Flooring.

Our range at Synergy Building Supplies combines high-quality Noroo Epoxy coatings with durable Q-Coat Flake, creating a cost-effective and long-lasting surface. With a customizable non-slip and seamless finish, this flooring option offers both aesthetic appeal and functionality.

Choose from different base coat colors like White, Ash Grey, and Gun Metal to achieve the desired light, grey, or dark tones, expanding your range of color options. For a truly exceptional look, inquire about our custom flake mixes. Our Epoxy Flake Flooring not only enhances the visual appeal but also ensures durability, making it ideal for any residential, commercial, or industrial space.

Trust our expertise to guide you through the selection process, ensuring your floor reflects your unique style and stands the test of time.

Upgrade your space with Epoxy Flake Flooring today. Discover the perfect blend of customization, durability, and beauty, and let your floor become a stunning masterpiece.
